

REQUIRED LEGAL NOTICES

Cedars-Sinai is required by federal law to provide the following notice about employees' rights to benefits to those employees covered by Cedars-Sinai-sponsored healthcare plans, either annually or during enrollment periods.

Women's Health and Cancer Rights

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for: all stages of reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; prostheses; and treatment of physical complications of the mastectomy, including lymphedema.

These benefits are subject to the same deductibles and copays/coinsurance that apply to other Cedars-Sinai medical benefits.
