EFFECTIVE DATE OF COVERAGE

For Noncontributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for coverage.

For Contributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you enroll for coverage on or before that date.
- The date you enroll for coverage.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The first day of the month that is on or next follows the date we approve your Evidence of Insurability, if Evidence of Insurability is required.

Any decrease in coverage other than benefit reductions noted on the SCHEDULE OF BENEFITS will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

We will provide continuity of coverage under our Policy if both of the following are true:

- You are not in Active Employment due to sickness or injury other than Total Disability or due to an Employer-approved non-medical leave of absence on the date the Employer changes insurance carriers to our Policy.
- You were covered under the prior group life policy, including payment of premiums to the prior insurance carrier when due, on the day before the coverage for your eligible class under our Policy became effective.

You are not eligible under this provision if any of the following are true:

- Your coverage is being continued under a waiver of premium (or any similar) provision of the prior policy.
- Your coverage is being continued under a continuation or portability provision of the prior policy.
- You converted or were eligible to convert your coverage with the prior insurance carrier.
- You are not in Active Employment due to reasons other than sickness, injury or an Employer-approved non-medical leave of absence.

If you are eligible for continuity of coverage under this provision, we will provide limited coverage under our Policy. Coverage under this provision will begin on the date your eligible class is covered under our Policy and will continue until the earliest of the following:

- The date you return to Active Employment.
- The date the Employer-approved leave of absence ends.
- The date your continuation would end under the terms of our Policy.
- The date your continuation would have ended under the terms of the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.
- 12 months following the date you were last in Active Employment.

Your coverage under this provision is subject to payment of Premiums.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount you are eligible for under our Policy. We will reduce our payment by any amount paid under the prior policy.

If your coverage under this provision ends while the Policy is in force, and you are not otherwise eligible for insurance under the Policy, then you will be eligible for conversion as described in the **CONVERSION** provision.

If you were not covered under the Employer's prior policy on the date that policy terminated, then the **EFFECTIVE DATE OF COVERAGE** provision will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date coverage for all Active Employees under the Policy terminates.
- The date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your Contributory coverage, as allowed by the Employer.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.
- The last day you are in Active Employment. This does not apply to Retirees.

We will pay benefits for a loss that occurs while you are covered under the Policy.

CONVERSION

You may convert your life insurance, without Evidence of Insurability, to an individual life insurance policy if any part of your life insurance under the Policy stops for one of the following reasons:

- Your coverage ends according to the **TERMINATION OF COVERAGE** provision other than your voluntary cancellation of your Contributory coverage.
- Any continuation of insurance under the Policy ends.
- Your coverage reduces due to **BENEFIT REDUCTIONS** as described on the **SCHEDULE OF BENEFITS**.
- Your coverage reduces due to your change from one eligible class to another.
- Your coverage reduces due to a Policy change.

Only life insurance is eligible for conversion. The maximum amount of life insurance you are eligible to convert cannot be greater than the amount of life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which you remain eligible under the Policy are not eligible for conversion.

To convert your life insurance, you must apply and pay the first premium to us within 31 days of the date any part of your life insurance under the Policy terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of your life insurance ends. Your right to convert will expire on the later of 25 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

You may apply to convert the entire amount of life insurance that is terminating under the Policy, or a lesser amount. The maximum amount of life insurance coverage you are eligible to convert will be reduced by any amount of life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your class of risk, and your attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept your application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, your life insurance will continue under the terms of the Policy. If you die within the conversion period, any life insurance amount that you were entitled to convert will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

If you have made an absolute assignment of your insurance, only the current owner may apply for conversion.

INCONTESTABILITY

The validity of your life insurance will not be contested, except for nonpayment of premiums, after it has been in force for two years from its effective date. No statement made by you relating to your insurability will be used in contesting the validity of your life insurance with respect to which the statement was made after your insurance has been in force prior to the contest for a period of two years during your lifetime and unless the statement is included in a Written statement of insurability which has been Signed by you.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the Premium.

An error will not end insurance validly in effect, nor will it continue insurance validly ended.

MISSTATEMENT OF AGE

If Premiums are based on your age and you have misstated your age, then your correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

You may make an absolute assignment of ownership of your insurance under the Policy to any person or entity by sending us Written notice on a form that we accept. An absolute assignment transfers all your duties, rights, title and interest under the Policy to the new owner. The new owner can make any changes allowed under the Policy and Certificate.

An absolute assignment form is available from the Employer or us. Any assignment form must be Signed by both the current owner and the new owner. The Signed form must be received and accepted by us in order to be valid. An accepted assignment will take effect on the date the form is Signed by you, unless otherwise specified in the Signed form. An assignment does not affect any payment we make or action we take before receiving the Signed form. An assignment does not change the insurance or the Beneficiary designation.

If you want to continue an absolute assignment made under the Employer's prior group life insurance policy, a statement of intent form is available from the Employer or us. The form must be Signed by both you and the assignee. The Signed form must be received and accepted by us in order to be valid. A statement of intent does not affect any payment we make or action we take before receiving the Signed form. A statement of intent does not change the insurance or the Beneficiary designation.

We assume no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

BENEFICIARY

The Beneficiary is named by you to receive any proceeds payable at your death. While your coverage is in force, you may change the Beneficiary designation by Written request on a form that is acceptable to us. A Beneficiary designation form is available from the Employer or us. An accepted designation will take effect as of the date it is Signed, unless you specify otherwise in the Signed designation, but will not affect any payment we make or action we take before receiving the Signed form. If you have made an absolute assignment of your insurance, only the current owner may change the Beneficiary designation.

If an irrevocable Beneficiary is named, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive you, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive you.

Please refer to the LIFE INSURANCE BENEFITS section of the Certificate for information about payment.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

ENTIRE CONTRACT

Coverage for insured Employees is provided under a contract of group term insurance between us and the Policyholder. The entire contract consists of all of the following:

- The Policy issued to the Policyholder including Part A and Part B.
- The Certificates which are made part of Part B under the Policy.
- Any riders, endorsements and/or amendments issued.
- The Policyholder's Signed application, a copy of which is attached to the Policy when issued.

CHANGES TO POLICY OR CERTIFICATE

The terms and provisions of the Policy and this Certificate may be changed at any time without the consent of you or anyone else with a beneficial interest in the Policy. We will issue riders, endorsements or amendments to effect such changes, and only those forms Signed by one of our executive officers will be valid. We will only make changes consistent with the standards of the applicable regulatory body in the governing jurisdiction. We will provide a copy of

the rider, endorsement or amendment to the Policyholder for attachment to the Policy, and also for the Employees if the change affects the Certificate(s).

Riders, endorsements and amendments are subject to prior approval by the appropriate regulatory body in the governing jurisdiction. A rider, endorsement or amendment will not affect the insurance provided under the Certificate(s) until the effective date of the change, unless retroactivity is required by the applicable regulatory body.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to or waive the terms of the Policy.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that you died while your insurance under the Policy is in force. The death benefit is the amount of life insurance for your class as shown on the SCHEDULE OF BENEFITS in effect on the date of your death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review the claim and proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this Certificate.

AUTOPSY

We reserve the right to make a reasonable request for an autopsy at our expense where permitted by law.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your death.

If there is no eligible Beneficiary, we will pay the proceeds to the first survivor(s), who is living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your estate.

If the Beneficiary or survivor is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to that person's estate.

"Spouse" means your lawful spouse. It includes your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction. It also includes your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of

trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

LEGAL ACTION

The time period during which any person can start legal action regarding any claim under the Policy is subject to applicable law in the governing jurisdiction. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide Written notice of the adverse benefit determination to the claimant as soon as possible, but no more than 90 days after receipt of the claim unless an extension is needed. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension before the end of the initial 90-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant’s failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

A notice of an adverse benefit determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
- A description of the claim review procedure and the time limits applicable to such procedures, including a statement of the claimant’s right to bring a civil action following an adverse benefit determination on review.

The claimant may request a review of an adverse benefit determination (an “appeal”) at any time during the 60 day period following receipt of the notice of the determination. We will consider an appeal upon Written application of the claimant or his or her duly authorized representative. As part of the appeal the claimant also has the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to the claimant’s claim for benefits. The claimant may, in the course of this appeal, review relevant documents and submit to us Written comments, documents, records and other information relevant to the claimant’s claim for benefits.

Following our review of the appeal, we will provide the claimant with a Written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 60 days after the receipt of the appeal unless an extension is needed. An extension of 60 days will be allowed for making this decision if special circumstances are present. The claimant will be given notice of any such extension before the end of the 60-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant’s failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant’s claim for benefits.
- A statement of the claimant’s right to bring a civil action.

EXCLUSIONS AND LIMITATIONS

For Noncontributory Life Insurance, we pay a death benefit for all causes of death.

For Contributory Life Insurance, if you commit suicide while sane or insane within two years of the date your insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period you were continuously covered under the Policy and any previous group term life policy(ies) issued to the Policyholder during your lifetime.

If you commit suicide while sane or insane within two years from the date an increase in Contributory Life Insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your Supplemental life insurance coverage effective date.

If your Spouse is covered under the Policy as an Employee, then your Spouse is not eligible for coverage under this rider.

ENROLLMENT

If you have a Spouse eligible for coverage, you must enroll your Spouse for any Contributory coverage before the coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Spouse was covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage for your Spouse that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

You may need to provide Evidence of Insurability on your Spouse, as described below.

EVIDENCE OF INSURABILITY

Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. - The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
- The date you enroll for Spouse coverage.
- The date we approve your Spouse's Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your Spouse's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.
- The date your Spouse is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date your Spouse's coverage would otherwise become effective.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse's coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Spouse coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Spouse coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Spouse coverage under this provision ends while the Policy is in force, and your Spouse is not otherwise eligible for insurance under the Policy, then your Spouse coverage will be eligible for conversion as described in the CONVERSION provision.

If your Spouse was not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

SPOUSE ACTIVE MILITARY DUTY

If your Spouse is covered under this rider and your Spouse begins full-time active duty in the armed forces of any country or subdivision thereof then you should notify the Policyholder to cancel this rider. Coverage under this rider will terminate at the beginning of the period during which your Spouse is no longer eligible, and any unearned Premiums that were collected will be refunded.

If your Spouse's full-time active military duty ends, then you may re-enroll for this rider subject to the following:

- If you re-enroll for this rider within 2 months of the date your Spouse is eligible for coverage again, then the maximum amount of Spouse coverage available will be the lesser of the amount that was in effect on the day

before coverage ended and the then current maximum amount of Spouse coverage available under this rider. Spouse coverage will be effective on the later of the following:

- The date you re-enroll.
- The date your Spouse is not hospitalized or confined at home under a doctor's care.
- The date your Spouse is not receiving or applying to receive disability benefits from any source.
- If you re-enroll for this rider more than 2 months after your Spouse is eligible for coverage again, then Evidence of Insurability on your Spouse will be required. If Evidence of Insurability is approved by us, Spouse coverage will become effective on the date specified by us.

SPOUSE CHANGE OF LEGAL RESIDENCE

If your Spouse is covered under this rider and your Spouse changes their legal residence to outside the United States or its territories or possessions, then you should notify the Policyholder to cancel this rider. Coverage under this rider will terminate at the beginning of the period during which your Spouse is no longer eligible, and any unearned Premiums that were collected will be refunded.

If your Spouse resumes legal residence in the United States or its territories or possessions, then you may re-enroll for this rider subject to the following:

- If you re-enroll for this rider within 2 months of the date your Spouse is eligible for coverage again, then the maximum amount of Spouse coverage available will be the lesser of the amount that was in effect on the day before coverage ended and the then current maximum amount of Spouse coverage available under this rider. Spouse coverage will be effective on the later of the following:
 - The date you re-enroll.
 - The date your Spouse is not hospitalized or confined at home under a doctor's care.
 - The date your Spouse is not receiving or applying to receive disability benefits from any source.
- If you re-enroll for this rider more than 2 months after your Spouse is eligible for coverage again, then Evidence of Insurability on your Spouse will be required. If Evidence of Insurability is approved by us, Spouse coverage will become effective on the date specified by us.

TERMINATION OF COVERAGE

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date you voluntarily cancel this rider, as allowed by the Employer.
- The date your Spouse is no longer an eligible Spouse as defined by this rider.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.

We will pay benefits for a loss that occurs while your Spouse is covered under this rider.

CONVERSION

You may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Spouse ceasing to be an eligible Spouse as defined, or your death. You may also convert any part of Spouse life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Spouse may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops because your Spouse is no longer an eligible Spouse as defined, or because of your death.

Only life insurance is eligible for conversion. The maximum amount of life insurance eligible for conversion cannot be greater than the amount of Spouse life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Spouse remains eligible under the Policy are not eligible for conversion.

To convert Spouse life insurance, application must be made and the first premium paid to us within 31 days of the date any part of Spouse life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Spouse life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Spouse life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Spouse life insurance coverage eligible for conversion will be reduced by any amount of Spouse life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Spouse's class of risk, and your Spouse's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Spouse life insurance will continue under the terms of this rider. If your Spouse dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

The validity of your Spouse's life insurance will not be contested, except for nonpayment of premiums, after it has been in force for two years from its effective date. No statement made by you or your Spouse relating to your Spouse's insurability will be used in contesting the validity of your Spouse's life insurance with respect to which the statement was made after your Spouse's insurance has been in force prior to the contest for a period of two years during your Spouse's lifetime and unless the statement is included in a Written statement of insurability which has been Signed by you or your Spouse.

MISSTATEMENT OF AGE

If Premiums are based on your Spouse's age and you have misstated your Spouse's age, then your Spouse's correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your Spouse's age before paying any claim.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Spouse's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death or divorce. This Beneficiary designation may not be changed. If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary's estate. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Spouse died while Spouse insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Spouse life insurance for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Spouse's death.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Spouse's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse's death. Exception: If your Spouse dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Spouse's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Spouse commits suicide while sane or insane within two years of the date Spouse insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Spouse was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Spouse's lifetime.

If your Spouse commits suicide while sane or insane within two years from the date an increase in Supplemental Spouse Life Insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

- Your stepchild.
- A child of your domestic partner or civil union partner who is recognized as equivalent to a Spouse in the state with governing jurisdiction.

- Not be insured by an individual policy that was issued under any conversion right of this rider.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing.

Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit. If the Child becomes capable of self-sustaining employment and proof of the Child's incapacity can no longer be furnished to us, you may convert your Child's life insurance to an individual life insurance policy as described in the CONVERSION provision of this rider.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your Supplemental life insurance coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

ENROLLMENT

If you have a Child eligible for coverage, you must enroll all Children for any Contributory coverage before the coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Children were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage for your Children that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

EFFECTIVE DATE OF COVERAGE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you enroll for Children's coverage on or before that date.
- The date you enroll for Children's coverage.
- The date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off

for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

- The date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's coverage would otherwise become effective.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The first day of the month that is on or next follows the date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's increased or additional coverage would otherwise start.

Any decrease in coverage other than benefit reductions noted on the SCHEDULE OF BENEFITS will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Children's coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Children's coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Children's coverage under this provision ends while the Policy is in force, and your Children are not otherwise eligible for insurance under the Policy, then your Children's coverage will be eligible for conversion as described in the CONVERSION provision.

If your Children were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The date the Child is no longer an eligible Child as defined by this rider. Coverage of a disabled Child ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date you voluntarily cancel this rider, as allowed by the Employer.
- The date you no longer have any eligible Children as defined by this rider.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.

We will pay benefits for a loss that occurs while your Child is covered under this rider.

CONVERSION

You may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if a Child's life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Child reaching the termination age under this rider, or your death. You may also convert any part of Children's life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if that Child's life insurance under this rider stops because your Child reaches the termination age under this rider, or because of your death. If a Child is too young to contract for life insurance after your death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage.

Only life insurance is eligible for conversion. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Child remains eligible under the Policy are not eligible for conversion.

To convert Children's life insurance, application must be made and the first premium paid to us within 31 days of the date any part of a Child's life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Children's life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Children's life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Children's life insurance coverage eligible for conversion will be reduced by any amount of Children's life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Child's class of risk, and your Child's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Children's life insurance will continue under the terms of this rider. If your Child dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

The validity of your Child's life insurance will not be contested, except for nonpayment of premiums, after it has been in force for two years from its effective date. No statement made by you or your Child relating to your Child's insurability will be used in contesting the validity of your Child's life insurance with respect to which the statement was made after your Child's insurance has been in force prior to the contest for a period of two years during your Child's lifetime and unless the statement is included in a Written statement of insurability which has been Signed by you or your Child.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Child's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death. This Beneficiary designation may not be changed. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Child died while Children's insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Children's life insurance on that Child for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Child's death.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Child's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Child's death. Exception: If your Child dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Child's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Child commits suicide while sane or insane within two years of the date that Child's insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Child was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Child's lifetime.

If your Child commits suicide while sane or insane within two years from the date an increase in Supplemental Children's Life Insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

EFFECTS ON COVERAGE

When we pay this benefit, coverage is affected in the following ways:

- Your life insurance amount that may be converted is reduced by the accelerated death benefit proceeds paid under this rider.
- You will not be eligible to increase your life insurance amount.

- Your remaining life insurance amount is subject to future BENEFIT REDUCTIONS, if any, as shown on the SCHEDULE OF BENEFITS in the Certificate or riders.
- You will not be able to reinstate your coverage to its full amount in the event of a recovery from a Terminal Illness.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA) – FOR TOTAL DISABILITY CLAIMS ONLY

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description of the claim review procedure and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was

based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.
- The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

You may apply for conversion of any terminating life insurance amounts that exceed the maximum amount(s) eligible for portability. See the CONVERSION provision of the Certificate and riders. You will not be eligible to increase the ported coverage amount(s). Ported coverage is subject to all the terms of the Policy including BENEFIT REDUCTIONS as described on the SCHEDULE OF BENEFITS in the Certificate or any riders.

If you die within 31 days of the date you become eligible for portability under this rider (the "conversion period"), any life insurance amount that you were entitled to convert will be payable according to the CONVERSION provision of the Certificate and riders. If your Spouse or Child dies during the conversion period, any Spouse or Children's life insurance amount that you were entitled to convert will be payable according to the CONVERSION provision of your Spouse Life Insurance Rider or Children's Life Insurance Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

You do not need to provide Evidence of Insurability in order to apply for portability. You may complete the Evidence of Insurability section of the application if you want to request a lower portability Premium rate. If we accept your application for portability but decline any Evidence of Insurability, you may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide you written notice of conversion. See the CONVERSION provision of the Certificate and riders. Your coverage must be ported under the terms of this rider in order for Spouse or Children's coverage to be ported.

Your application for portability must be approved by us. When we approve your application, ported coverage under this rider will be effective on the day after the conversion period ends. Premiums under this rider will be billed directly to you on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time you apply for portability. We may change the portability Premium rates at any time upon 90 days written notice to you.

If you have made an absolute assignment of your insurance, only the current owner may apply for portability.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR EMPLOYEE PORTABILITY

If your or your Spouse's Premium rates are based on Evidence of Insurability as provided on your application for portability, and you or your Spouse have misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your or your Spouse's Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your or your Spouse's Premium after coverage has been continued under this rider for two years during your or your Spouse's lifetime.

GRACE PERIOD FOR EMPLOYEE PORTABILITY

You have a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to you that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to you, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. You are required to pay a pro rata Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

TERMINATION OF EMPLOYEE PORTABILITY

- Your Spouse must apply for portability within 31 days of your death or divorce.

Your Spouse will be given notice of portability and conversion rights when your Spouse's life insurance ends due to death or divorce. Your Spouse's portability rights will expire on the later of 16 days after your Spouse is given such notice or the end of the conversion period, but in no event will your Spouse's portability rights extend beyond 60 days after the expiration of the conversion period.

Children may be covered following your death only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

Conversion is available for any terminating life insurance amount(s) that are not eligible for portability. See the CONVERSION provision of the riders. Any amounts of life insurance for which an application for conversion has been received by us are not eligible for portability under this rider.

APPLICATION FOR PORTABILITY AT DEATH OR DIVORCE

Your Spouse may apply for portability of the same amount of insurance that would otherwise terminate or a lesser amount according to the available amounts on the portability application. Your Spouse must apply for portability of Spouse insurance in order to continue Children's insurance. Your Spouse may only apply for portability of Children's Insurance in the event of your death. The amount(s) that can be continued under this provision are subject to the following maximum(s):

- \$200,000 of Spouse Basic Life Insurance
- \$10,000 total Children's Life Insurance, not to exceed the total amount of Spouse Life ported

Conversion is available for any life insurance amounts that exceed the maximum amount(s) eligible for portability under this provision. See the CONVERSION provision of the riders. Your Spouse will not be eligible to increase the ported coverage amount. Ported coverage is subject to all the terms of the Policy, Certificate and any riders.

If your Spouse dies within 31 days of the date your Spouse becomes eligible for portability under this provision (the "conversion period"), any Spouse life insurance amount that was eligible for conversion will be payable according to the CONVERSION provision of the Spouse Life Insurance Rider. If your Child dies during the conversion period, any Children's life insurance amount that was eligible for conversion on that Child will be payable according to the CONVERSION provision of the Children's Life Insurance Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

Your Spouse does not need to provide Evidence of Insurability in order to apply for portability. Your Spouse may complete the Evidence of Insurability section of the application if your Spouse wants to request a lower portability Premium rate. If we accept your Spouse's application for portability but decline your Spouse's Evidence of Insurability, your Spouse may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide your Spouse written notice of conversion. See the CONVERSION provision of the riders. Spouse coverage must be ported under the terms of this rider in order for Children's coverage to be ported.

If we approve your Spouse's application for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under your Spouse Life Insurance Rider. If Children's coverage is ported after your death, your Spouse will also become the owner of the Children's coverage that was previously provided under your Children's Life Insurance Rider. Ported coverage under this provision will be effective on the day after the conversion period ends. Premiums under this provision will be billed directly to your Spouse on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time your Spouse applies for portability. We may change the portability Premium rates at any time upon 90 days written notice to your Spouse.

If you have made an absolute assignment of your insurance, the current owner's rights under the Policy will terminate on the date of your death. The current owner's rights regarding your Spouse's insurance will terminate on the date of your divorce. Your Spouse as the new owner under this provision may make an absolute assignment of insurance, as described in the ASSIGNMENT provision of the Certificate.

BENEFICIARY FOR PORTABILITY AT DEATH OR DIVORCE

For coverage continued under this provision, the Beneficiary is named by your Spouse to receive any proceeds payable at your Spouse's death. While your Spouse's coverage is in force under this provision, your Spouse may change the Beneficiary by Written request on a form that is acceptable to us. A Beneficiary designation form is available from us. An accepted designation will take effect as of the date it is Signed but will not affect any payment we make or action we take before receiving the Signed form. If your Spouse has made an absolute assignment of insurance, only the current owner may change the Beneficiary designation for proceeds payable at your Spouse's death.

If an irrevocable Beneficiary is named for proceeds payable at your Spouse's death, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries for proceeds payable at your Spouse's death. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive your Spouse, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive your Spouse.

Your Spouse is the Beneficiary for all other proceeds payable. This Beneficiary designation may not be changed. If your Spouse has made an absolute assignment of insurance, then during your Spouse's lifetime those proceeds are payable to the current owner.

PAYMENT OF PROCEEDS FOR PORTABILITY AT DEATH OR DIVORCE

For coverage continued under this provision, a Spouse death benefit is payable if your Spouse dies while the Spouse Life Insurance Rider is in force. Other benefits are payable if a covered loss occurs while coverage is in force, and while your Spouse is living. See the CONVERSION provision of the Children's Life Insurance Rider for information about death benefits payable during the conversion period following your Spouse's death.

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse's or Child's death or loss under any rider. Exception: If your Child dies during the conversion period following your Spouse's death and your Spouse would otherwise have been the Beneficiary, we will pay the Child death benefit proceeds to your Spouse's estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate. If there is no eligible Beneficiary, we will pay the proceeds to your Spouse's estate.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR PORTABILITY AT DEATH OR DIVORCE

If your Spouse's Premium rates are based on Evidence of Insurability as provided on your Spouse's application for portability, and your Spouse has misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your Spouse's Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your Spouse's Premium after coverage has been continued under this rider for two years during your Spouse's lifetime.

GRACE PERIOD FOR PORTABILITY AT DEATH OR DIVORCE

Your Spouse has a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to your Spouse that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to your Spouse, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. Your Spouse is required to pay a pro rata Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

TERMINATION OF PORTABILITY AT DEATH OR DIVORCE

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date your Spouse attains age 70.
- The date your Spouse dies.
- For each Child's coverage, the date the Child is no longer an eligible Child as defined by the Children's Life Insurance Rider. Coverage of a disabled Child ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- For Children's coverage, the date there are no longer any eligible Children covered under the Children's Life Insurance Rider.

If your Spouse is continuing coverage under this provision and then later your Spouse becomes eligible as an Active Employee under the Policy, then any amount(s) of coverage continued under this rider will be reduced by the amount(s) of coverage your Spouse has as an Active Employee. Any unearned Premiums paid for ported coverage will be refunded.

CONVERSION FOR TERMINATION OF PORTABILITY AT DEATH OR DIVORCE

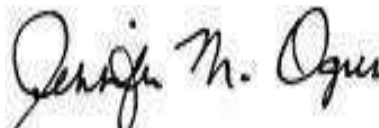

Your Spouse may convert any life insurance amounts that stop when portability under this provision ends for any reason other than nonpayment of Premium, or your Spouse's death, or your Child reaching the termination age under the Children's Life Insurance Rider. Conversion is also available for any part of Spouse life insurance that reduces due to a Policy change. Conversion is also available for any part of Children's life insurance that reduces due to a Policy change. See the CONVERSION provision of the rider(s). If your Spouse has made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert any Children's life insurance amount that stops under the Children's Life Insurance Rider due to your Child reaching the termination age under that rider, or when portability under this rider ends due to your Spouse's death. If a Child is too young to contract for life insurance after your Spouse's death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage. See the CONVERSION provision of the rider.
